PLEDGE OF ALLEGIANCE

AREA PLAN COMMISSION
PC-R-22-08
ORDINANCE 2022-18

Commissioner Terry Phillippe: First order of business this evening is Area Plan.

Molly Barnhill: We have a Request to Rezone, PC-R-22-08, Petitioner/Owner is Maken Corporation by Daniel Ubelhor, the owner. It's to rezone fifty-seven point two-two (57.22) acres on the south side of Oak Grove Road approximately twenty-five hundred (2,500) feet west of Oak Grove and Wethers Road from an M-2, General Industrial to R-1, One Family Zoning District. Ohio Township, 18-6-8, complete legal on file. This was advertised in the Standard June 30th. The APC gave a unanimous, positive recommendation on July 11, 2022. And this item was tabled from two (2) weeks ago, Commissioners' meeting August 8th.

Jim Morley, Jr.: Jim Morley, Jr., Project Engineer. And so, I just passed out to you all an exhibit. On one (1) side, you kind of see where in the world is this in Warrick County. This is just a new residential subdivision out off of Oak Grove Road. Kind of in the Friedman Park area. And then, on the flip side of it is just kind of a stick figure drawing of Oak Grove Road just at the top of what that is. You guys saw this subdivision about a month ago. You also saw drainage plans and road plans for this subdivision. And so, is our kind of standard residential subdivision. Just more of the Maken property that they've got out there along Oak Grove Road. Not too much of it left, but a little bit left after this. So, we're just down zoning from the existing industrial zoning to residential.

Commissioner Terry Phillippe: Kristine, what would be the Ordinance number?

Kristine Georges: It would be '18.

Commissioner Terry Phillippe: '18. Bobby, do you have any additional comments?

Bobby Howard: I do not.

Commissioner Bob Johnson: I'm good.

Commissioner Dan Saylor: I make a motion to approve the rezone request for PC-R-22-08, Ordinance (20)22-18.

Commissioner Bob Johnson: I second

Commissioner Terry Phillippe: I have a first and a second. All in favor?

Commissioner Bob Johnson: Aye.

Commissioner Dan Saylor: (Inaudible).

Jim Morley, Jr.: Thank you all, appreciate it.

Commissioner Terry Phillippe: That motion carries three, zero (3-0).

COUNTY SHERIFF
MOBILE SHERIFF APP

Commissioner Terry Phillippe: Next order of business, we're moving up the schedule here. Sheriff has a soccer match, I believe, to get to.

Sheriff Mike Wilder: Sheriff Mike Wilder. I appreciate that. But, I've left good company with you, Chief back there.

Commissioner Dan Saylor: I wondered why we had two (2).

Sheriff Mike Wilder: I think I'd sent an email up. There's just, I think Todd and John Goth had a chance to review it for the Sheriff App. It's just language, I don't, I'm not as, I know you have to approve all contracts. I think, I believe they approved everything through email.

Heather Soberg: I'm not certain.

Commissioner Terry Phillippe: I did see an email that said everything was now in order. Bob, did you have any questions?

Commissioner Bob Johnson: Sheriff, can you explain to me what, what is this app?

Sheriff Mike Wilder: So, it's, you know, modern technology is an app on your phone or computer you will hit. It'll basically bring you to the Warrick County Sheriff's Office. I got, almost, it's our, it won't take you to our webpage, but a similar page. We'll have all kinds of information on this page. How to do gun permits. How to do different things. Probably going to have recent arrests, the mug shots which, you know, everybody wants. More probably being nosey than information. But, that information does help, for people, we can send them to that. They can see who was arrested with their bond. That will save time on our Jailers having to look it up and tell them. We'll be able to put all kinds of information on there. Most of the Sheriff's Offices around the area have it. I've been interested in it a very, very long time. It's just not cheap, especially the initial expense.

Commissioner Dan Saylor: How much is it, Mike?

Sheriff Mike Wilder: I believe it's thirty something thousand ($30,000.00). Right at, just under thirty ($30,000.00). But, I've came up with a way, a funding mechanism, that will hopefully cover the cost and not cost anything out of my budget or the County. Then I'll just have to come up with the fees every year, the maintenance fees from the years on which I have to pay. So...

Commissioner Dan Saylor: So, thirty ($30,000.00), thirty Ks ($30,000.00) the additional? And what are the annual maintenance costs?

Sheriff Mike Wilder: I apologize. I don't have in front of me. It's in that email.

Commissioner Dan Saylor: Okay. Well and I'm sorry. I don't.

Sheriff Mike Wilder: It's like four ($4,000.00) or five thousand ($5,000.00).

Commissioner Dan Saylor: Okay. Yeah.

Sheriff Mike Wilder: It's not very expensive after the fact. It's that initial setup fee and everything.

Commissioner Dan Saylor: Right.

Sheriff Mike Wilder: And it's, the app, back to what you're saying, it's as good as what we put into it. You know, I mean, you can, it's like anything.

Commissioner Bob Johnson: You're on another webpage?

Sheriff Mike Wilder: It's going to be very similar to the website, but everybody, you know, just, the app, where everybody can just hit the button. Takes you straight to it.

Commissioner Dan Saylor: And you say it's the same thing as Vanderburgh County, pretty much?

Sheriff Mike Wilder: Yeah, Posey County has it. Dubois County has it.

Commissioner Dan Saylor: Okay. Okay.

Sheriff Mike Wilder: We're one (1) of the last to do it. But, it was really more me just trying to find funding to do it.

Commissioner Bob Johnson: Okay.

Commissioner Dan Saylor: I'm, I'm, I'm good with it if the, if the contract meets legal, legal counsel's supposed to be arriving anytime. But...

Commissioner Bob Johnson: I'll go ahead and make a motion to approve per, pending approval of the contract through the attorney.

Commissioner Dan Saylor: And I'll second that motion.

Commissioner Terry Phillippe: Okay. I have a first and a second. All in favor?

Commissioner Dan Saylor: Aye.

Commissioner Bob Johnson: Aye.

Commissioner Terry Phillippe: Aye. Motion carries three, zero (3-0).

Commissioner Dan Saylor: Thank you, Sheriff.

Sheriff Mike Wilder: Thank you for moving me up. I appreciate it.

Commissioner Dan Saylor: Good luck.

(Sheriff Mobile App Contract is located on File in the Auditor's Office)

COUNTY ADMINISTRATOR
COMMERCIAL LEASE FOR PUBLIC DEFENDER OFFICE

Commissioner Terry Phillippe: Okay, let's see here. Next order of business is our County Administrator.

Heather Soberg: Thank you, Mr. President. Not on the agenda today, but I'd like to review this with you. Legal Counsel has reviewed. This is a Commercial Lease Agreement for the Public Defender's Office space there off of Eskew Road. The changes that were requested by legal counsel have been made and it does match what has been done in the past. So, just looking for an approval on that.

Commissioner Terry Phillippe: What's the term of that renewal?

Heather Soberg: It is one (1) year.

Commissioner Terry Phillippe: One (1) year?

Commissioner Dan Saylor: And this is, this is for the Public Defender's Office space?

Heather Soberg: Yes.

Commissioner Dan Saylor: You guys good with it? I make a motion to approve.

Commissioner Dan Saylor: Second.

Commissioner Terry Phillippe: I have a first and a second. All in favor?

Commissioner Dan Saylor: Aye.

Commissioner Bob Johnson: Aye.

Commissioner Terry Phillippe: Aye. Motion carries three, zero (3-0).

Heather Soberg: Thank you.

(Commercial Lease is located on File in the Auditor's Office)

CONSENT AGENDA
CERTIFIED CLAIMS – NON-CERTIFIED CLAIMS – PAYROLL
HIGHWAY DEPARTMENT SURPLUS ITEMS
MOUNT ELECTRIC AGREEMENT
PEABODY RUA TERMINATION AND BOND RELEASE
MAINSTREAM PEDDLERS/SOLICITATION LICENSE

Heather Soberg: So, the next item is the Consent Agenda. And on that, this, for this meeting is the County Auditor Claims Voucher Report, dates 8-10-22 through 8-23-22. Payroll date of 8-15-2022. Highway Department items

declared surplus: the 2006 Chevy Silverado, Hardy Ranch…Hardy Reach lawn mower blades, Firestone front tractor tire, Michelin tractor tire, and another Michelin tractor tire. As well as, we see, we have the Mounts Electric Agreement for the traffic signals, the Peabody Road Use Agreement Termination and Bond Release and the Mainstream Peddlers and Solicitation License. All of those are on the Consent Agenda and consent has been made prior to today.

Commissioner Dan Saylor: Heather, that Mainstream was two (2) months? Correct?

Heather Soberg: Yes, Sir.

Commissioner Dan Saylor: So, you know what, what's kind of important, are we sending out that agreement to the Sheriff's Office so they know when they get phone calls that, that's only a certain period of time?

Heather Soberg: Yes. That is correct.

Commissioner Dan Saylor: Okay. So, currently, we only have two (2), for Chief Deputy Kruse, we only have two (2) permits out there. It'll be this one (1) and then the TruGreen?

Heather Soberg: Correct.

Commissioner Dan Saylor: Cause TruGreen's on an annual basis, Chief Deputy. So, just so your Dispatch knows, cause I know they get calls in about people coming door to door. So, there's, right now, we only have two (2) permits in the County. Okay.

Chief Deputy Paul Kruse: We forward them out when we get them, so, usually we keep up on it. So, thank you.

Commissioner Dan Saylor: I actually receive calls from, from some of the Deputies, you know, myself. So, I got to keep up on that too. So, anyway, that's all I have. So, I make a motion to approve the Consent Agenda.

Commissioner Bob Johnson: I'll second

Commissioner Terry Phillippe: I have a first and a second. All in favor?

Commissioner Dan Saylor: Aye.

Commissioner Bob Johnson: Aye.

Commissioner Terry Phillippe: Aye. Motion carries three, zero (3-0).

Heather Soberg: Thank you.

(Mainstream Peddler License is located on File in the Auditor's Office)

COUNTY ENGINEER/HIGHWAY
CENTERPOINT ROAD USE AGREEMENT

Commissioner Terry Phillippe: Next order of business is our County Attorney. We'll pause on that and go to the County Highway Superintendent/Engineer.

Bobby Howard: The only thing I had was CenterPoint Road Use Agreement for Kaiser Road and there's some things on that that I'm not real happy with yet. So, I really think they should be here to discuss it. So, I'd like it tabled.

Commissioner Terry Phillippe: Okay.

Commissioner Dan Saylor: To, to the 12th, Bobby?

Bobby Howard: Yeah, that's fine.

Commissioner Dan Saylor: I make a motion to table the CenterPoint Use Road Agreement to September 12th.

Commissioner Bob Johnson: I'll second.

Commissioner Terry Phillippe: I have a first and a second. All in favor?

Commissioner Bob Johnson: Aye.

Commissioner Terry Phillippe: Aye. Motion carries three, zero (3-0).

COUNTY ATTORNEY
CLERK'S REQUEST FOR MEDIA CONVERSION

Commissioner Terry Phillippe: County Attorney Business.

Commissioner Bob Johnson: That, well, that's going to be tabled anyway, right?

Commissioner Terry Phillippe: Right, exactly.

Heather Soberg: Yep.

Commissioner Dan Saylor: Did he have anything else, Terry or…?

Heather Soberg: Not to my knowledge.

Commissioner Terry Phillippe: The agreement with the Public Defender which Heather covered.

Commissioner Dan Saylor: Right. And you're saying this Clerk's Request for Media Conversion, you're saying that's going to be tabled?

Commissioner Terry Phillippe: That's going to be tabled. We need to wait on a quote.

Commissioner Dan Saylor: So, do we need to make a motion to table that to September 12th or…?

Commissioner Terry Phillippe: I think so.

Commissioner Dan Saylor: So, I make a motion to table the Clerk's Request for Media Conversion 'til September 12th.

Commissioner Bob Johnson: And I'll second that.

Commissioner Terry Phillippe: I have a first and a second. All in favor?

Commissioner Dan Saylor: Aye.

Commissioner Bob Johnson: (Inaudible).

Heather Soberg: (Inaudible).

Commissioner Terry Phillippe: Aye. Motion carries three, zero (3-0).

Commissioner Bob Johnson: Ask Terry.

Heather Soberg: (Inaudible).

Commissioner Terry Phillippe: Not without Andrew here.

Heather Soberg: (Inaudible).

Commissioner Terry Phillippe: Yeah. Yeah.

COMMISSIONER ITEMS FOR DISCUSSION

Commissioner Terry Phillippe: Okay, anything else from anybody?

Commissioner Dan Saylor: I have, I have nothing. Bobby?

Commissioner Terry Phillippe: Short agenda.

Commissioner Dan Saylor: Yeah.

Commissioner Terry Phillippe: So?

Commissioner Bob Johnson: Good. Make a motion to adjourn.

Commissioner Dan Saylor: Second.

Commissioner Terry Phillippe: I have a first and a second. All in favor?

Shari Sherman: (Inaudible) I was the closest.

Several speaking at once.

Commissioner Bob Johnson: Meeting's not over yet back there.

Bobby Howard: They were betting on when it would end.

Kristine Georges: They were betting.

Shari Sherman: I had twenty-five (4:25).

Gentleman from Audience: She had twenty-five (4:25). I had thirty-five (4:35).

Several speaking at once.

Kristine Georges: I still don't have an adjournment.

Heather Soberg: Still don't have an adjournment. So…

Commissioner Terry Phillippe: Alright, yeah. (Inaudible) a first and a second.

Commissioner Bob Johnson: Chief Deputy, will you take care of them.

Commissioner Dan Saylor: Oh, we don't? We don't have an adjournment?

Several speaking at once.

Unknown: Hit the gavel.

Several speaking at once.

Commissioner Dan Saylor: Oh, I make a motion, second.

Several speaking at once.

Commissioner Terry Phillippe: (Inaudible) an aye.

Several speaking at once.

Commissioner Dan Saylor: Second.

Commissioner Terry Phillippe: All in favor?

Commissioner Bob Johnson: (Inaudible).

Commissioner Dan Saylor: Aye.

Commissioner Terry Phillippe: Motion carries three, zero (3-0).
